

WPDES Permit Application Process

For Livestock/Poultry Operations

OPERATOR'S APPLICATION PROCESS

- ★ Your completed application must be submitted 12 months before you reach 1,000 animal units.
Begin well in advance to allow enough time to prepare your application.
- ★ Be sure to also apply for other necessary permits and approvals with the DNR and your town/county.

Request Application from DNR
Pre-Meeting (call your regional contact to set up)
Gather Information <ul style="list-style-type: none">- Environmental Analysis Information- Plans & Specifications/As-builts- Preliminary Manure Management Plan
Submit Application Packet <ul style="list-style-type: none">- Follow up with any further information needed to complete the application★ The submitted Application Packet must be <u>fully completed at least 12 months</u> before the operator plans to reach 1,000 animal units.

DNR INTERNAL REVIEW AND PROCESSING

- ★ Process takes 12 months. This diagram shows a typical process; individual permits may vary.
